

Parental/Guardian Consent for Participating in Coaching Sessions inc Medical Consent

I, being the parent/guardian of the child identified on this application, have read the following notes and give consent for my child to take part in the coaching sessions. I understand and agree that my child participates in coaching sessions under the instruction of British Triathlon coaches entirely at his/her own risk and without liability whatsoever on the part of the club, its coaches or members. I have considered the nature of such sessions and have discussed them with my child. I am satisfied that they are sufficiently responsible and competent to assume full and entire responsibility for their own safety under the supervision of a British Triathlon coach.

Notes:

- Coaches will take all reasonable precautions to ensure that accidents do not happen, however they cannot be held responsible for any loss, damage or injury suffered whilst your child is participating in training sessions.
- Any member who persistently misbehaves or puts others in danger will be asked to leave the session and may not be allowed to attend in the future.
- Parent(s)/guardian(s) are welcome to stay and watch the sessions but must remain in the designated spectator areas, if available.
- Parent(s)/guardian(s) should respect the coaching timetable by:
 - arriving in good time so that a prompt start to the session is possible; and
 - arriving promptly to collect your child at the finish time.If your child is continually late, they may be excluded from future sessions.
- Your child is expected to remain in training sessions from beginning to end, unless they have to leave early.
- If your child has to leave early or is being collected by someone other than the parent/guardian, the parent/guardian must advise the coach of the details of the arrangement, including who will be collecting your child.
- Your child must wear the appropriate kit for all training sessions, have a road worthy bike and must wear a cycle helmet at all times during any cycling activities or whilst riding their bike. If a coach deems that your child is not wearing appropriate kit, or that their equipment is not safe, then they will not be allowed to take part in a session.
- In the event of injury or illness to your child, along with taking all reasonable steps to contact the parent/guardian, the club will deal with that injury/illness by administering any necessary treatment.
